## Making the transition

From 31<sup>st</sup> December 2010 all current Scout Fellowship roles (ACC Scout Fellowship, AAC Scout Fellowship, ADC Scout Fellowship, Chairman, Secretary, Treasurer and member) will be closed on [www.scouts.org.uk](http://www.scouts.org.uk). Members who wish to continue to support Scouting must be registered as Scout Active Support members. This is particularly important if they hold no other active roles within Scouting.

A Scout Active Support Manager must be appointed and registered on [www.scouts.org.uk](http://www.scouts.org.uk) before any Scout Active Support members can be added. This role is an appointment of the Group Scout Leader,

District Commissioner or County/Area/Regional Commissioner.

The process put in place to change Scout Fellowship members to Scout Active Support members is up the District, County/Area/Regional Secretary and the District or County/Area/Regional Commissioner, when they have decided on the most appropriate approach.

If you would like further support or practical advice about the transition then please do not hesitate to contact us.

## Scout Active Support on the increase.

Scout Active Support Managers and Members recorded on the membership system, show a month on month increase. The membership increased by over 500 between April and May, hopefully a sign of things to come.

## How can we support you?

You will see from the graph above that Scout Active Support Units are opening across the UK. Starting a Unit from scratch, or transferring from a Scout Fellowship is one thing, but developing the Unit is quite another. If there are any areas you would like support in to develop your Unit, then please contact [active.support@scouts.org.uk](mailto:active.support@scouts.org.uk)

## Resources, resources, resources

The following resources are available to support Scout Active Support

### Scout Active Support Essentials

### Factsheets:

... all these resources are available from [www.scouts.org.uk/activesupport](http://www.scouts.org.uk/activesupport) or from the Scout Information Centre on 0845 3001818.

Scout Shops have the range of merchandise including scarves, polo shirts and badges.

## Unit publicity...

Visit The Scout Association's one stop [communications centre](http://www.scouts.org.uk/communicationscentre). It is there to help you create, personalise and print inspiring communications.

It's perfect for:

- learning about the 'everyday adventure' of Scouting
- accessing branded Word templates (check out the Tools and Resources/Download area)
- accessing the Scout logo (again, this is in the Tools and Resources/Download area – and much better to use than the old Scouts Logofont which will appear as an 'S' to anyone who does not have the font installed).

To use the communication or print centre, simply log in to Scouts.org using your user name and password. The print centre icon appears in the my tools menu once you have logged in to [scouts.org.uk](http://scouts.org.uk)

## From scouts.org.uk . . .

Have you taken fresh look at [www.scouts.org.uk](http://www.scouts.org.uk) lately? It's now packed with a whole host of different news and information, much of which could be useful to your Scout Active Support Unit in the support they provide.

Here's a selection:

The Big Adventure is back and this time there's a brilliant cooking theme to help you give parents and other adults a taste of volunteering for Scouting.

From Saturday 1 May until Tuesday 31 August any camp or event can be part of The Big Adventure, simply by inviting parents and other adults to get involved. It's an ideal way to target new adult volunteers who may become Scout Active Support members.

For more information click on the web pages at: [www.scouts.org.uk/thebigadventure](http://www.scouts.org.uk/thebigadventure)

## Chief Scout Bear Grylls thanks all Scouting volunteers

This week has seen Volunteers' Week take place across the UK. As part of the annual event, Chief Scout Bear Grylls has recorded a special thank you message to the thousands of adult volunteers who give up their time to make Scouting happen.

## Vetting and Barring Scheme

You may have heard the announcement made by the Government on Tuesday 15 June that the further implementation of the Vetting and Barring Scheme (VBS) in England, Wales and Northern Ireland will not now go ahead as planned.

It should however be noted that the requirement for Criminal Records Bureau (CRB) and Access Northern Ireland (ANI) checks remain in place.

Further information [www.scouts.org.uk/vbs](http://www.scouts.org.uk/vbs)

## Recruitment

If you are just starting up a Scout Active Support, then the recruitment ideas may be just what you're looking for.

The web pages at [www.scouts.org.uk/recruit](http://www.scouts.org.uk/recruit) contain lots of useful tips and information to help with those successful recruitment drives and don't forget the posters at [www.scouts.org.uk/activesupport](http://www.scouts.org.uk/activesupport).

## Coming up in *Scouting/Focus*

Recent editions of *Scouting* and the *Focus* supplement have contained a whole range of articles written to support you during the transition period.
